# Why study English?

No matter what you want to be, or where you want to go, your English language skills will help you get there. English is the international language of business and diplomacy and is spoken in over 100 countries by more than 1.5 billion people. And another billion people are learning English right now.

Navitas English language courses are designed to support you as you learn, and make sure you achieve all your goals and dreams. You can choose from a range of different courses, depending on what you need your new language skills for.

## If you want to feel more confident when you speak English...

General English courses help you communicate in everyday situations. Your speaking, listening, reading, writing and grammar skills will all improve through these dynamic and interactive courses.

At our Navitas English centres across Australia, we offer preparation programs for Cambridge, Pearson, IELTS and TOEIC exams so that you can return home with certification of your achievements. If you are thinking about teaching English in your home country or around the world, we also offer TESOL teacher training delivered by ATTC.

## If you want to go on to further study...

Academic English will prepare you for further study at university or college in Australia – or anywhere else in the English-speaking world.

After graduating from one of our Academic English courses, you may gain direct entry to over 50 leading universities and institutions throughout Australia.

See page 26 for more information on our Academic English courses.

## If you need English language skills to settle in Australia...

We provide the Adult Migrant Education Program (AMEP) for newly arrived migrants to Australia. It will help you build your spoken and written English skills, learn about the Australian way of life, and learn how to access all the services you need.

*“My recommendation for other students is to make the most of the facilities available like the campus library, study areas, teacher support, conversation clubs and DVD room. Join all the social activities too, it’s a good way to make friends and practice your English.”*

You'll be learning with students from over 50 other countries around the world. The friendships you form during your studies may change your outlook on the world, and your future, forever.

### Achieving your goals

The **Student Support Program** is designed for students who intend to study at university or college in Australia, and are starting with General English study.

Teachers will meet with you in your first week at Navitas English to provide guidance and direction about your language studies, including:

- developing the right language skills for university
- improving your academic English
- choosing the right electives
- study tips.

Staff will be available throughout your studies for ongoing support.

**Academic and welfare counselling** is also available for all students, including:

- general advice and support for day-to-day concerns
- a student welfare counsellor
- academic counselling, including advice on your English studies, pathways, further study applications and applications for English language tests.

### Your teachers

All of our teachers are experienced and qualified English language teachers and are degree and TESOL qualified. They are focused on helping you reach your goals. And we ensure they stay up to date with the latest teaching techniques, through an ongoing professional development program.

### Financial support

The Navitas Family Bursary is available when two or more students from the same family study at any Navitas English college or centre. They do not have to study at the same time or at the same centre.

This bursary is equivalent to 10% of the tuition fee for one program only.

### Students with families

Before bringing your spouse or children to Australia, you will have to prove you can support them financially. The cost of supporting a family in Australia is very high. It is also very important to consider the adjustment your family will need to make in their new environment.

### Visa issues

The spouse and dependant children under 18 years of age of an international student may be granted a dependant student visa. This visa allows your immediate family members to stay in Australia for the length of your study. You may need to have your children placed in a school before a visa will be granted.

### Schooling of dependants

School-age children of international students must go to school while they are in Australia. You will need to enrol your children in a school before you leave your home country and you will normally have to pay the school fees one semester in advance.

There are two education systems in Australia: state government and private. Schools charge fees in both systems.

### Your safety is our priority

Being a student is an exciting time where you will experience many new learning opportunities and situations. It is our priority to look after your welfare and safety. Navitas English centres are ready to assist you no matter your concern – just ask for our safety tips.

## 1. Cancellation and refunds

Navitas English complies with the Refunds and Transfers Policy and Code of Conduct of English Australia, the ESOS Act and the National Code. The Navitas English enrolment fee is payable once only and is only refundable in limited circumstances involving provider default.

## Tuition

- If You provide Navitas English with at least 4 weeks' written notice prior to commencement of the Study Period, Navitas English will provide You with a full refund of tuition fees.
- If You provide Navitas English with less than 4 weeks' written notice prior to commencement of the Study Period, Navitas English will provide You with a full refund of tuition fees, less 30% cancellation fee.
- In circumstances other than where Navitas English ceases to provide the Course, no refund is payable after You have commenced the Study Period.
- Except as required under the ESOS Act or the National Code, where You transfer from a more expensive Course to a less expensive Course, no refund of the difference is payable.
- If Your visa application is denied, a full refund of all Course fees, less the enrolment fee, will be made provided that Navitas English receives a copy of the Australian Embassy rejection letter.
- Navitas English reserves the right to suspend or cancel Your enrolment because of: (a) Your failure to pay an amount You were liable to pay to Navitas English (directly or indirectly) in order to undertake the Course; (b) You have breached a condition of Your student visa; or (c) behaviour unacceptable to Navitas English, including but not limited to behavior as described in the Navitas English Code of Conduct as published and displayed in centres and at [www.navitasenglish.com/code\\_of\\_conduct](http://www.navitasenglish.com/code_of_conduct).

- In addition, if You are under 18 years of age You must have written evidence acceptable to Navitas English that Your parent or legal guardian supports the transfer and written confirmation that the new institution will accept responsibility for approving your accommodation, support and general welfare arrangements if You are not being cared for in Australia by a parent or suitable nominated relative or legal guardian.
- In addition, if You are sponsored by Your government, and Your government considers the transfer to be in Your best interests and You provide Your government's written support for the transfer acceptable to Navitas English, then the remaining portion of Your tuition fees from the commencement date of the new studies may be transferred to the new course.
- If You are successful in gaining entry to another Navitas college (other than a Navitas English Entity) or university program, You may be eligible for a transfer of all remaining tuition fees to the new Navitas location (other than a Navitas English Entity).
- Course fees are not transferable to another person nor to another English language centre, except for Hawthorn-Melbourne or a Navitas English Entity.

- You will not be allowed to transfer to another institution in the first 6 months of Your Course (except for situations outlined above).
- In circumstances other than where Navitas English ceases to provide the Course, refunds will be paid within 4 weeks of Navitas English receiving written request.
- If Navitas English ceases to provide the Course, unless Navitas English arranges for You to be offered a place in an alternative course at Navitas English's expense and You accept that offer in writing, You are entitled to a full refund of Course money (paid within 2 weeks of the date on which Navitas English ceases to provide the Course).
- Entry to all Courses is subject to Your placement test, as well as IELTS or TOEFL results.
